

Veterans Plaza Redevelopment

Project Description:

This project provided improvements to safety, aesthetics, and accessibility to this 21-acre County Government office complex parking lot. The project included multiple landscaping and drainage improvements as well. The project was phased and constructed while all business operations were maintained. The plaza is now surrounded by a perimeter sidewalk with covered bus stops. The last time this parking lot was paved was in September 1997.

Design Team:

DBS & Associates
Engineering

Total Project Cost:

\$5,131,000

Contractor Team:

B.R. Miller & Company

Completion Date:

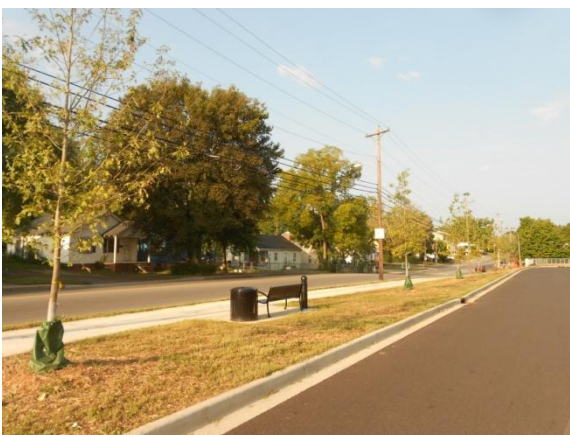

November 2014

Carolyn Bowers
County Mayor

Nick Powell, P.E.
